Hello All:

I would be happy to have a telephonic prehearing conference. I am flexible on when we have it. As Courtney is aware, sometimes it is only a 5-10 minute phone call when an applicant is represented by Counsel and when there are no apparent problems or issues which need addressing.

As for the request to have the shipper witness testimony entered by deposition, David Butler, our Standing Hearing Officer, is authorized to issue a directive allowing this. I am copying him on this email.

Please advise if you have any other questions.

Dear Mr. Melchers: I would appreciate your guidance on a matter. My client would like to use shipper deposition in lieu of live testimony. What would be the fastest and easiest way to accomplish this? It is my understanding that the Commission or its designee may issue an order allowing the deposition. (103.834) Would it be possible for the Commission's designee to issue an order since any request I make would not be heard until the Agenda Meeting on January 15th which would not leave me enough time to complete the deposition and get the transcript prior to the January 22nd hearing?

What would be the best course of action in this instance?

Regards,

Suzanne Klok

Randall Dong is handling that case, and by cc to him, I am asking him to address your inquiry. He is out this morning, but will be in the office later this afternoon.

Good afternoon Joseph,

Regarding the prehearing conference for Johnson's Moving & Storage next Monday (1/13) at 10am, who will be the hearing officer? Also, could we possibly have a conference call instead?

Thanks,
Courtney
